Friendship Evangelism Seminar

Have you ever felt that when it comes to fulfilling the great commission of going out and making disciples among men, you don't really know how? Have you ever said to yourself that the best I can ever do to reach out to someone is to invite him to church?

Do you feel inadequate, unqualified and clueless when it comes to sharing Christ with others?

If you answered yes to one or all the above questions, then this seminar is for you.

Friendship Evangelism is so simple to understand yet so effective in touching people for Christ. Being a friend is something we can all do. Understanding how that can impact the lives around you can make all the difference in fulfilling your calling to make disciples among men.

Come and hear Ps Philip Devadass share how he uses sports as an evangelistic platform. His testimony can help change the way you think about your lifestyle choices and get you on the path to successful evangelism.
